

Job Description

Sales /Business Development Manager (Sweden)

Redtree Solutions Ltd is looking for a Sales Engineer / Business Development Manager.

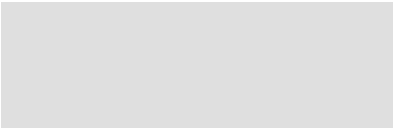

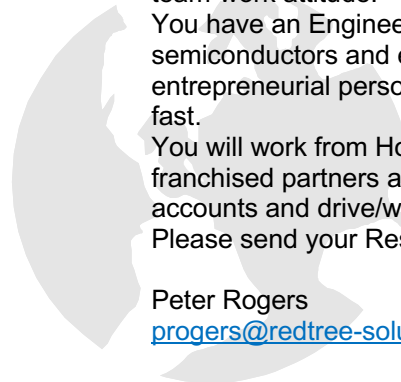

Ideally located in the Stockholm area, the candidate records an extended relationship with Tier 1 and strategic Tier 2 customers in the Electronics Industry in Sweden. You are dynamic with a strong team-work attitude.

You have an Engineering university background and at least eight years' experience in selling semiconductors and electronic components with good track records. You are a motivated, entrepreneurial person and efficient. You like and understand how to make your business progress fast.

You will work from Home office. Your mission will be to develop the business of Redtree Solutions' franchised partners as the extension of their direct Sales Force. You will Manage/develop strategic accounts and drive/work with the distribution network to perform with your territory growth.

Please send your Resume to:
